GUIDELINES:

Applicants eligible to apply include high school seniors and undergraduate college students whose primary residence is in the general geographical performance area of the Rainier Chorale (Puget Sound area). Applicants must demonstrate accomplishment in both vocal music and academic studies. It is a requirement that the applicant will pursue a primary or secondary degree in vocal or choral studies at an accredited college or university in order to qualify for this scholarship. Prior recipients are invited to apply. Scholarship selection will be administered by a Scholarship Committee appointed by the Board of Directors. This committee will consist of members of the current Board, and may also include appointed members from the general Chorale membership.

Written applications will be the initial method to screen applicants. Finalists that emerge from this process will be asked to appear before the Scholarship Committee to discuss in more detail the written application, answer questions from the Committee, and provide a short performance to demonstrate vocal musicianship.

Applicants ineligible for this scholarship include members of the Scholarship Committee and their immediate family. However, family members of other board members, officers, or Chorale members are eligible to apply, provided that they are not currently serving on the Scholarship Committee.

The Rainier Chorale Scholarship will be limited to a scholarship at an accredited educational institution. This scholarship will be delivered directly to the educational institution's financial aid office with a stipulation that the scholarship be used for the pursuit of the recipient's higher education, including tuition, books, and other music-related educational expenses.
